Dear Mr. Krumbeigel,

In connection with the resumption by Government of the tennis courts etc., in the Cubbon Park now in the possession of the Gymkhana Club, and which you were recently requested to take charge of from the Club authorities, there has been some difference of opinion between the Government and the Club as regards the amount of compensation to be awarded. The matter has been referred to Sir Leslie Miller for Kind arbitration and the entire Secretariat file on the subject has been sent to ~~that officer.~~ him

Sir Leslie Miller writes to say that the two estimates or valuation statements as made out by Government officers and the Club authorities respectively differ so much not only in the principle on which they are based but also in details of rates and discussions and that he cannot deal with the matter without further explanation.

With a view to settle the matter quickly Sir Leslie Miller suggests the deputation of some one who understands the valuation statement prepared for the Government (preferably ~~by~~ the gentleman who prepared it) to meet him and explain it in person. He also proposes to ask the Club authorities to depute some one to explain their xxxxxxxx statement.

He desired that the deputees might meet him in his Chamber at the Chief Court, Bangalore, on Friday the 7th October at 2.30 P.M.

As the valuation statement in question was prepared by - you in the Gardens Department, I am desired to request you to kindly meet Sir Leslie Miller with the official who prepared the Valuation Statement on the day at the time and place mentioned by him and furnish any explanation that he may re- - quire of you.

The result of your interview with Sir Leslie Miller may - kindly be intimated to me at your earliest convenience.
